2014 County Forester/Recreation Coordinator Hiring

Position was advertised and had 16 applicants.

Applications were screened and sorted down to 6 for interviews.

Interviews were conducted on Monday January 6th. After interviews the decision was made to have Eric Brolin as the top candidate for the position. The hiring committee did not feel that he should be offered the top pay scale for the position due to his lack of experience. The hiring committee would be more comfortable offering a lower starting pay with a 6 month review with increase if warranted at that time and also again at 1 year of employment. We feel this offer should be at \$18.00/hour with increases after 6 months and 1 year based on performance to get up to the top pay range.

The Forestry Committee has not yet approved of this, if there are changes to this recommendation from the Forestry Committee I will make the Personnel committee aware at the meeting.
