The meeting was called to order by Jeanette Bomberg.

The purpose of this meeting is to open and record bids for the construction work on CTH "N".

It was the general consensus of those present to approve the agenda as submitted.

Open and record bids for the construction work on CTH "N": Bids for the CTH "N" construction project were sent to Bacco Construction of Iron Mountain, Northeast Asphalt of Greenville, WI and Pitlik & Wick of Eagle River, WI. There was only one bid received and it was from Northeast Asphalt. The following is the summary of the bid amount for the cost of the construction project on "N":

	Bacco Const.	Northeast Asphalt	Pitlik & Wick
Total Bid Price of all items	No Bid	\$ 1,754,191.00	No Bid
Total Bid Price w/alternate # 1 (Gravel Shoulders)	No Bid	\$ 1,815,751.00	No Bid

DeMuri said that the next highway committee meeting is at 4:00 PM on September 8th, 2014. If there are any questions regarding the bid that was submitted, DeMuri will contact Northeast Asphalt. It was noted that the price will remain firm for any work that needs to be completed next year. Plus, if adjustments need to be made in quantities the price will hold true for that too.

There being no further business, the meeting was adjourned.

Respectfully Submitted,
