

Committee Members Present: Gary Steber.

Committee Members Absent: None.

Others Present: Jeff DeMuri and Francie Freeberg.

The meeting was called to order by Gary Steber.

It was noted that the purpose of this meeting is to open and record bids for replacement of the roofs of our salt sheds in Florence.

It was the general consensus of those present to approve the agenda as submitted.

The bids were then opened and recorded. Bid specifications were sent to five bidders but there were only four bids received. See summary attached.

DeMuri will be reviewing the bids submitted and present them to the highway committee for their review. The Highway Committee will discuss and take action on these bids at their regular meeting scheduled for January 19th, 2015.

There being no further business, it was the general consensus of those present to adjourn.

Respectfully Submitted,

Francie Freeberg
Office Manager
