Others Present: Mike Perock from Alliance Construction & Design; Jeff DeMuri and Francie Freeberg representing the Florence County Highway Commission.

The meeting was called to order by Jeff DeMuri.

DeMuri noted that the purpose of this meeting is to open and record bids for a cold storage building.

It was the general consensus of those present to approve the agenda as submitted.

Open and Record bids for a Cold Storage Building: DeMuri sent bid specs to six (6) prospective bidders. Only two (2) of these prospective bidders submitted a bid. They were A & M Buildings from Seymour, WI and Alliance Construction from DePere, WI. The bids received were as follows:

| | A & M Buildings Attn: Adam Heagle N171 Lawn Road Seymour, WI 54165 Phone: 920-833-1808 | Alliance Construction Attn: Mark Rukamp 1030 Orlando Drive DePere, WI 54115 Phone: 920-336-3400 |
|---|--|---|
| Total Cost of Cold Storage Building | \$ 65,990.00 | \$ 66,600.00 |
| Total Cost of Cold Storage Building – Extended Length | \$ 89,990.00 | \$ 90,500.00 |

The base bid was for a building 50' x 72' x 16' high and included an attached 15' lean-to on the East side of the building. The extended length was for an additional 48' for the building and only 8' additional for the lean-to section. The width and height remain the same as the base bid. Options B and C are for re-sheeting each existing salt shed roof.

DeMuri thanked Mike Perock for attending the bid opening. He informed him that there will be no decision made until our Highway Committee meets again on the 8th of September.

There being no further business, the meeting was adjourned.

Respectfully Submitted,
