RULES FOR VITAL STATISTICS SEARCH

- 1. Use only pencils.
- 2. No CAMERAS, cell phones, scanners, laptop computers, food or drinks are allowed.
- 3. Don't write on, alter, mutilate or destroy any records.
- 4. Be respectful to others and work quietly.
- 5. Report any damages to records or inappropriate searching.

Remember the materials are old and delicate. Please be gentle, use care, and ask for assistance.

I have read the Vital Statistics Regulations and the office rules and agree to abide by them. I understand the failure to comply with those regulations will result in the application of the penalties prescribed in H&SS Rule 142.07(4)(c), and H&SS 142.07(2)(e): "Shall be required to leave the records area immediately".
