

Now Hiring: Information & Assistance / Dementia Care Specialist

The Aging & Disability Resource Center (ADRC) of Florence County is seeking applications for an Information & Assistance / Dementia Care Specialist. This position is to provide the general public, but particularly adults who are elderly, who have a disability or who have dementia, and their caregivers, with information and assistance about a range of community resources, options, and services, including long term care.

Strong candidates will have a Bachelor of Arts or Science degree (preferred in Health and Human Services), and least one year of paid experience working with individuals with dementia and family/informal caregivers.

This is a full-time, 35 hour/week, non-exempt position. Starting pay is \$20-24 per hour, based on experience and is eligible for a complete benefit package.

For more detailed information and for instructions on how to apply, please visit www.florencecountywi.com or call: 715-528-4890.

Florence County is an Equal Opportunity Employer.
