

Florence County Highway Commission

Joe Witynski --
Commissioner

Joe Mills – Committee
Chairperson

Public Service Announcement

Attention Traveling Public in Florence County:

Effective midnight on April 28th, 2025, seasonal weight limits on all county roads will be removed. Seasonal weight limits, also known as "frost laws," are temporary restrictions during the spring thaw to protect roads from damage.

Please note that this change does not include township roads. All other traffic regulations and safety measures remain in effect.

Thank you for your attention.
