## NOTICE

### Temporary Seasonal Weight Restrictions

The Florence County Highway Department will be imposing temporary seasonal weight restrictions on ALL County Trunk Highways (N, B, C, D, U and NN) on Tuesday, March 11, 2025 at 9:00a.m.

Highway maintenance vehicles, school buses, emergency public utility vehicles, sewage haulers, refuse haulers and delivery trucks for retail businesses are exempt from the load restrictions.

Fuel oil haulers may exceed the imposed restrictions by (2) two ton per axle.

Propane haulers are exempt from any seasonal weight limitations if the tank is filled to no more than 50% of its capacity and the gross weight imposed on the highway by the vehicle does not exceed 30,000 pounds (single-rear axle) or 40,000 pounds (tandem-rear axle).

The seasonal weight restrictions for County Highways **ONLY** are: 6 tons per axle with a maximum of 18 tons gross. Town weight restrictions may vary from township to township.

These weight restrictions will be in place until the frost has dissipated and the roads have firmed up.

Sincerely,

A handwritten signature in black ink that reads "Joe Witynski". The signature is written in a cursive style with a large initial "J".
