STATE CONSTRUCTION UPDATES (9/2/21)

Highway: WIS 139 **(NEW)**

Location: Between the Forest County line and Fay Lake Road

Schedule: September 7, 2021 to October 2021

Description: This project will remove and replace the top two inches of asphalt. The project also consists of culvert replacements, curb and gutter replacement, new sidewalk curb ramps and installation of a small section of storm sewer in Long Lake.

Work scheduled for next week: Crews will install traffic control, erosion control, and begin saw cutting pavement. Crews will begin work on storm sewer install at the intersection of WIS 139 and Maple Street. Curb and gutter removal and replacement in the town of Long Lake will also occur.

Traffic impacts: Flagging operations during daylight working hours will be utilized to restrict traffic to one travel lane when needed. Slight delays are anticipated. This project is also within the detour route for the work on WIS 101 in Forest and Florence Counties.

Highway: WIS 101

Location: From US 8 in Armstrong Creek to Woods Creek Road in Fern

Schedule: August 9, 2021 to October 29, 2021

Work scheduled for next week: Crews will work on landscaping, grading, culvert and beam guard installation.

Traffic impacts: WIS 101 was closed August 16 from Frydryck Road to Woods Creek Road. Local traffic will be allowed as signed. Traffic will be detoured via US 8, WIS 139, and WIS 70.

Thank You!
