Donna Trudell, County Clerk, was approached several months ago about purchasing standing desks and if Building and Grounds would have any funds available to help with the purchase. Tanya Neuens, Clerk of Court, presented information and prices on standing desks. She explained these desks sit on top of an existing desk and raise and lower when needed. A discussion took place and the Committee likes the idea of standing desks because this helps employees with the ergonomics of the sitting and standing possibilities. The Committee would like each department to decide if the desks would make sense for their office and if funds are available in their budgets.

Moved by Supervisor Bomberg, seconded by Supervisor Modschiedler approval to advertise locally for the sale of the 1995 F150 Courthouse Truck/Plow with a minimum sealed bid of $1,800. Ayes: Four (4). Nays: None (0) Motion carried.

Moved by Supervisor Neuens, seconded by Supervisor Modschiedler to table any action on the Roberts house. Ayes: Four (4). Nays: None (0) Motion carried.

Moved by Supervisor Bomberg, seconded by Supervisor Modschiedler to move ahead with the bid process and receive sealed bids for the Courtroom and Courthouse Entrance E carpet removal, replacement and installation. Ayes: Four (4). Nays: None (0) Motion carried.

Under other building and maintenance concerns, Supervisor Neuens inquired at a few businesses in Green Bay that specialize in brick and masonry for the deterioration of the brick on the Historical Jail. He explained that the replacement of the brick is fairly cheap it’s the labor that will cost. Supervisor Neuens gave the information he collected to Matt Dagostino, Maintenance/Janitor, for further research and estimates. Other Supervisor concerns was to replace all stained ceiling tiles, fix two roof leaks, and replacement of the back entrance to the Courthouse.

Respectfully submitted,

Donna Trudell
County Clerk
